

3rd Annual Festival of Trees at Cimarron Middle School (2016)

**Come and join us at the Third Annual Festival of Trees at
Cimarron Middle School in Parker, Colorado!**

The Halls will be decked on Dec 3rd at Cimarron Middle School with the most beautifully trimmed Christmas trees! Forty+ different themed trees will line the cafeteria and hallways along with 20+ snowmen jars containing gift certificates to local business. This is the 3rd annual Festival of Trees and is a raffle style, enabling festival goers the ability to place tickets in the buckets in front of the trees they would like to win. If you're the lucky winner, you get to take home the beautifully decorated tree AND all the prizes associated with it! There is also an Ugly Sweater contest.

Because we're in Colorado and we love Winter...Osgood Team Real Estate has donated a Winter Sports themed tree. From snowshoes to sleds, it's a fun one for those who love the outdoors as much as we do.

As local Realtors with an office in downtown Parker, we are committed to supporting our local schools and non profits and have contributed a tree to the festival from the beginning. A huge thanks to all the other local business owners and families throughout the community who donate the trees and snowmen jars and who help to make this event such a great success!
