Darling turn key home in golf course community in Aurora, Colorado! Light and bright with open concept floor plan. Large kitchen with lots of storage including glass front cabinets and a big pantry. Kitchen overlooks the beautiful backyard with lush landscaping and huge covered stamped concrete patio for entertaining.

Home for sale offers 2 living areas both with gorgeous wood flooring; one living space with soaring 2 story ceilings and tons of windows and the other provides a more intimate setting for relaxing and watching tv.

3 well appointed bedrooms with great separation and privacy. Spacious master offers vaulted ceilings, nice en-suite bath and walk in closet. Convenient upstairs laundry with built in cabinets for extra storage. Oversized 2 car garage with lots of built in shelving and unfinished basement to make your own. This house is super clean and extraordinarily maintained. Great Schools, trails, parks and golf course all within walking distance. Convenient location close to airport and E470 which provides easy access to downtown and the surrounding suburbs.

Searching for a new home in the Murphy Creek subdivision in Aurora, Colorado? Our top Denver agents know the Aurora market and will work tirelessly to help you find your next home. Call/Text us today to connect 303-810-5757
