

December 20th, 2016 National Go Caroling Day

Date When Celebrated : Always December 20

Go Caroling Day is a wonderful, fun filled day. Osgood Team doesn't have the same singing skills as we do real estate skills, so we will leave that up to the many groups right here in our community. At the Mayors tree lighting we listened to local high school choirs sing, as well as our very own Parker Chorale! At the Christmas Carriage Parade we listened to all our local high school marching bands, and caroling groups walking around. Catch one of the many programs at our many top notch Douglas County Schools and/or check out all the events at the PACE center. This is what makes Parker Colorado so special, all the involvement in the community!

We are never to busy for your referrals!

We hope you enjoy *Go Caroling Day* to its fullest today!
