December 3rd, 2017 National Roof Over Your Head Day

National Roof Over Your Head Day

Date When Celebrated : Always December 3

National Roof Over Your Head Day is today! Today should signify a day of appreciation of our most basic needs, like having a roof over our heads. There are so many people within our own community that are struggling with theses basic needs. Please take to today to appreciate and maybe give back to an organization that helps those that are struggling. I know right here in Parker we have a wonderful organization that we pair with, SECOR. They help those in need right here, by providing a food bank, counseling, medical care, and so much more!!

We are never too busy for your referrals and really appreciate them!
