

# December 7th, 2016 National Letter Writing Day

Here at Osgood Team Real Estate we love Letter Writing Day! In this day and age of texts, tweets, posts, and emails we find that the written word sometimes becomes forgotten. Here at Osgood Team we try to take the time to thank and write our clients often. It wouldn't be unusual to receive a birthday card or house signing anniversary card from us, because we really care about our clients!!

**Date When Celebrated :** Always December 7

Regardless of how it originated, *Letter Writing Day* is here. Think of the smile you would put on someones face if they received a hand written letter from you. It's a sure way to show you care and appreciate someone.

'Oh by the way...We are never too busy for your referrals!'
