

Discounted Pool Passes Now Available for Parker's H2O'Brien Pool

I know. It's too soon to start thinking about putting on those bathing suits and heading to the nearest pool. But it's not too early to save money on those pool excursions.

The Town of Parker is offering discounted pool passes to H2O'Brien Pool through April 30 at the Recreation Center, 17301 E. Lincoln Ave., or the Fieldhouse, 18700 E. Plaza Drive.

✘ The discounted passes, which are good for unlimited admission all summer, are \$60 per resident and \$70 per non-resident. Passes also are available for couples and families. For families of three, the cost is \$150 for residents and \$160 for non-residents. Families of four will pay \$180 or \$190, while families of five are asked to pay \$210 if they are residents or \$220 if they are non-residents. For larger families, add \$30 for each additional family member.

Folks who have annual or six-month memberships at the Parker Recreation Center and Parker Fieldhouse can purchase an add-on pool pass at a discounted rate.

The pool, which is located at 10795 Victorian Drive, is a fabulous place to cool down during those hot summer days. It has two 182-foot water slides, a waterworks play structure, a spray garden, sprays and geysers, a circulation and lap pool, a concession area and a shade pavilion.

H2O'Brien Pool will open for the 2015 season on May 23 and will remain open through Labor Day.
