

February 22, 2017 is National Margarita Day

National Margarita Day 2017 is Feb. 22!

Today is definitely worth celebrating!! We at Osgood Team Real Estate love and value Margaritas so much that we choose to celebrate its place in our history and set aside Feb. 22 of every year as National Margarita Day.

This wonderful drink made of tequila, triple sec and lime, frozen or on the rocks, original or fruity, sugar or salt, is a drink we enjoy more often than just February 22. You can enjoy your margarita at your beautiful home we have helped you find, by visiting one of our many local liquor stores. Or if you prefer being served, checking out one of our many local restaurants!

Although it's not been determined the exact individual responsible for inventing the classic margarita, we know it popped up during the 1930's or 1940's, while frozen margaritas were invented later in 1970's.

Remember, we are never too busy for your referrals or to go and have Margs!!
