GJ Gardner Custom Home On 5 Acres In Wild Pointe

Andrea Richardson is presenting a Gorgeous GJ Gardner Custom Home in the Reserve at Wild Pointe! This luxurious two-story retreat sits on five beautiful acres, overlooking rolling green hills with unobstructed Pike's Peak views.

This house features six bedrooms, six baths, formal study, dining room and a main floor guest suite.

The gourmet kitchen features slab granite countertops, custom cabinets, a gas cooktop, and a center island with an additional prep sink.

The kitchen opens to the soaring ceilings of the great room. This spacious living area has a fireplace and an abundance of natural light and beautiful views!

The private master suite features a soaker tub, a custom spa shower and walk-in closet.

This home is perfect for multi-generational living.

This home is perfect for multi-generational living as it has a fully finished walk-out basement.

It includes a full kitchen, living room, laundry room, a full bath and an additional non-conforming, sixth bedroom. There is a separate entrance which makes it perfect for guests or parents needing an extended stay.

There is an 832 square feet barn/garage with concrete floors. This space is perfect for a garage, hobbies, or animals.

Home Extras include: Designer Paint, Hardwood Flooring, a Front Courtyard, a Covered Back Deck, a Chicken Coop & Fenced Garden Area.

Welcome Home!
