Immaculate property nestled in the pines of Elizabeth! Gorgeous views with peace and quiet a plenty. The lovely custom home features 4 bedrooms, 5 baths and open flow between the inviting, great room, kitchen, formal dining, guest room

and Master Suite. Both Master Suite and kitchen offer walk-out access to the huge, wrap around deck with serene views of nature and wildlife. The fully finished, walk-out basement includes a living room with wet bar, hardwoods, craft room/workshop, two large bedrooms, one office, and two baths.

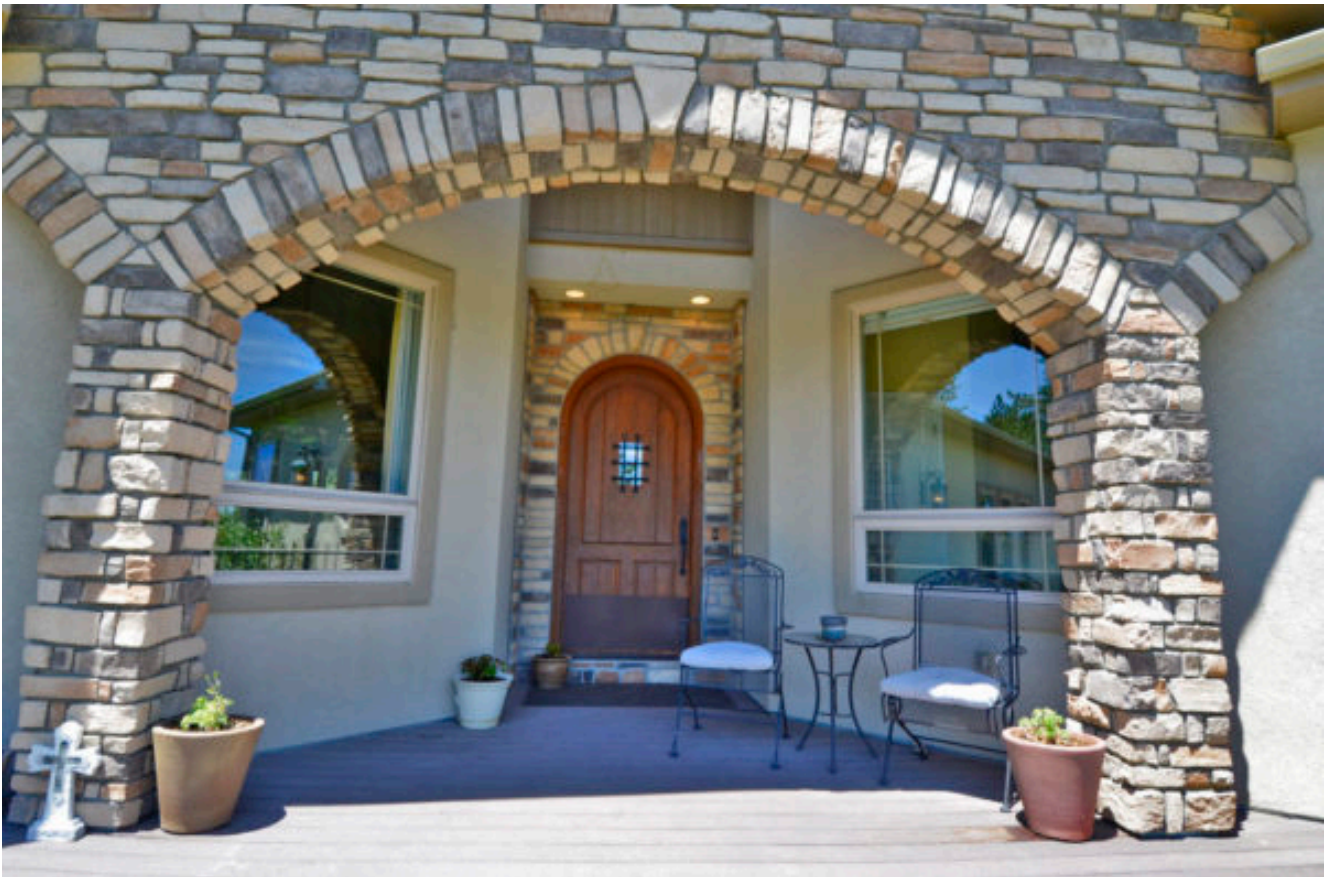

Enjoy the gorgeous outdoors on the beautifully treed 9.5 acre lot, with professionally fenced yard, terraced landscaping, gated garden, rolling prairie and a private pond. The attached garage contains oversized bays, man door and huge windows for natural light and property views. A separate 24x32 detached barn was added with concrete floors and complete electrical service. Upgrades galore and too many to mention so just come see, fall in love and stay forever.

Finished Basement with plenty of room to entertain
