Welcome Home to the Pinery Glen!

This Light and Bright Home with an Open Floor Plan in the Pinery Glen Neighborhood is waiting for you! New neutral paint and carpet throughout. Find white marble tiled entryway and vaulted ceilings and a plethora of windows. Livable floor plan with 3 bedrooms up and 2 additional bedrooms in the basement.

Spacious kitchen features a center island, abundance of cabinetry and storage space, crisp new white subway tile backsplash and a custom seating bar open to the family room.

There is also a kitchen pass-through to the dining room. Stainless steel dishwasher, range, and disposal are all new. Family room is perfect for entertaining complete with luxury vinyl flooring and powder bath.

Upstairs you'll find your private master retreat with French doors, en suite bath and his/her walk in closets. Two additional bedrooms and adjacent full bath complete the

upstairs.

Finished basement with two bedrooms and beautiful $\frac{3}{4}$ bath with custom tile shower. Flex/bonus space has been plumbed for a wet bar.

Backyard has an oversized concrete patio, privacy fence and has terraced areas for gardening. Low Pinery Glen HOA dues include community amenities of pool, clubhouse, tennis and basketball courts, trash and recycling.

HOME EXTRAS:

Additional Parking Space in Driveway, Heated Floors in main entry, Extended and Shaded Front Porch, External Security System, Basement Crawlspace for Additional Storage, All Appliances Stay including Washer/Dryer and Fridge.
