Updated and move in ready 2 story home in cherry creek school district. Big trees and mature landscaping create an inviting ambiance as you walk up to this super cute 4 bedroom home that boasts recently painted exterior, an inviting front porch and a new front door with ring doorbell and smart locks. Inside you are greeted by soaring ceilings and hand scraped wood floors throughout. Bright living room gives way to a charming hearth room with beautiful brick fireplace to enjoy on those cold winter nights.

Recently updated kitchen with newer stainless appliances (all included), granite counters, and a huge pantry create a great space for the chef in the family. Functional upstairs layout includes a private master suite with ensuite bath that has brand new wood flooring and new sink/fixture, 3 secondary

bedrooms and an updated full secondary bath.

Full finished basement with separate laundry room, good sized living area/rec room, corner office nook, and large full bath with garden tub/shower. Big backyard with lots of trees and large patio area great for entertaining. Newer carpet (1 yr old) in basement and upstairs, new baseboards throughout, newer wood flooring, newer kitchen appliances, recently painted exterior, newer front door, new bathroom sinks and fixtures and upgraded lighting. Great location close to shopping, dining, schools and commuter highways...minutes to DIA or DTC. Make it yours today!
