Festival of Trees

Cimarron Festival of Trees – Parker Colorado

Thanks to the creative thinking of the Cimarron PTO, instead of their annual Festival of Trees, they created a 'Share in the Spirit of Giving' contest to support the Parker community and the businesses who have participated over the past events. As sponsors from the very first Festival of Trees, we were saddened when we couldn't donate a tree because it's one of our favorite events of the year! Osgood Team Real Estate is grateful to still be able to participate, although not in the traditional way.

Look for our Outdoor Sports Themed tree as one of the prizes.
