

From Parker to Grand Lake with Love!

Relief efforts coordinated for East Troublesome Fire

A **HUGE THANKS** to Dave Hickey with Fidelity National Title in Parker, CO for coordinating a relief effort for the fire evacuees of the East Troublesome Fire in Grand County.

Bob Osgood helped out by delivering much-needed supplies for those most affected by the Colorado wildfires. From warm clothes to toothbrushes, pillows to snacks, we hope we could offer even a small amount of comfort to those affected by the fires near Grand Lake. Many of our friends and clients on the Front Range have connections to this area and are heartbroken by the devastation of homes and livelihoods near Rocky Mountain National Park.

To ALL who donated to the efforts....THANK YOU!

Sending love to the evacuees from the East Troublesome Fire.
