

Great Skin, Great Networking – Jenn Offers it ALL!

As an organizer of one of the Parker Chamber of Commerce's leads groups, I like to share information about some of our members who offer products, services or anything that might be of use to others living here.

One of those people is Jenn Reinke. She's an executive consultant with Rodan+Fields, who sells an anti-aging line of products that is backed by the most trusted dermatologists in the world.

But she doesn't make false claims or fill you with unexpected hope. She openly admits that there is NO flash in the pan or one hit wonder that actually provides residual results when it comes to your skin.

In fact, she warns people not to waste money on products that claim quick fixes. Instead, she asks you to check out her line of products if you want a big change in your skin and long term results.

As a former patient on accutane for acne and having a pregnancy mask, Jennifer knows how these products can impact people's lives. And, of course, she offers a 100% money back guarantee.

So by now you understand that her products are great at promoting healthy skin, which is so important in our arid climate and its many days of sunshine.

But that's not the only reason I'm mentioning Jenn here. Like me, she likes to promote other entrepreneurs in the Parker area. She has a group called Meet and Greets Denver South, which brings people together to network a couple times a month in the Parker area.

Like my leads group, South Metro Business Connections, her group gathers at Tealeaves Cafe in Parker several times a month. She limits her gatherings to 12 people, so they are quite intimate, and she only allows one person per industry.

If you'd like to know more about her networking group, like her on Facebook and she'll invite you to join her Meet and Greet Denver South Facebook Page.

If you're a Parker Chamber member and want to learn about South Metro Business Connections, we meet at 8:30 a.m. the first and third Friday of each month at Tealeaves Café, 18551 Mainstreet, Parker, CO 80134. Hope to see you there!
