

January 13th, 2017 Friday the 13th

Date When Celebrated : Occurs one to three times a year, when the 13th of the month falls on a Friday

- 2017: January, October

Friday the 13th is a day you may look forward to with fear if you are a superstitious type! Friday the 13th, is considered an unlucky day, a day when bad things can happen. Whatever you do, don't walk under a ladder, break a mirror, or let a black cat cross your path today. 

The only thing that Osgood Team fears or feels is unlucky about is if you aren't represented by us for your buying and selling needs!! It is so scary to imagine our clients with any other agent that is not going to give them the quality and care that they deserve!

We are never too busy for your referrals!! Don't let your friends be unlucky and go to another real estate firm, send them to Osgood Team Real Estate.
