Osgood Team, LLC – Parker, Colorado

www.osgoodteam.com

Our top producing firm is looking for full-time, licensed real estate agents to join our growing team.

WHO WE ARE:

We're a different kind of brokerage, focused on recruiting only a few agents who each want to do a high volume of transactions. Our Realtors will make a comfortable living in their first year as a part of our team if they put in the time and learn from our program. Our focus is COMMUNITY and it drives how we market, engage and connect with the Cities and Towns we serve.

Relational, not Contractual – *all about relationships*

Do you choose to work by referral, build relationships, prioritize your clients and provide value long after the sale? Well that is exactly the way our office is structured. We are not contractual, we focus on what is best for our clients and we maintain and nurture relationships before, during and long after the real estate transaction is complete.

True Team Approach – *we work, laugh, play and produce together*

We nurture a sense of camaraderie, rather than competition between our agents. Our real estate team offers access and a collaborative approach to the process for buyers and sellers and leverages the experience and expertise of more than one real estate brain. We bring a competitive advantage to transactions to tap into more ideas, more people, more

perspectives. Each client has their own real estate agent, but they have access to the depth of experience and real estate wisdom of many.

Comprehensive Marketing and Listing Support – *frankly, we're the best at marketing and we make you and your clients look good*

Digital and Paper Marketing on all your listings – including but not limited to drone photography, you tube videos, inside/outside flyers, Social Media ads to name a few...we take care of the details so you can focus on your client and lead generation

Broker and Office Support – *keeping you organized and efficient*

You will have Managing Broker access to make sure you are successful. You also have access to Office Manager to assist with marketing and lead generation.
