

We know this is late but..... March 4th, 2017 – Hug a GI Day

Date When Celebrated : Always March 4

Today is a day that we all should embrace. It's "Hug a GI Day". Please give any and all GI's a great big hug to show your appreciation of their invaluable service. The men and women that risk their lives for our freedom deserve much more honor than a simple hug, but this is a small thanks that will go a long way!

We are never too busy for your referrals or hugs!
