

May 14th, 2017 Mother's Day

Date When Celebrated : Second Sunday in May

Mother's are truly at the heart of every family! Mother's are seen as strength, love, compassion and endless support.

Osgood Team Real Estate has 5 Mother's on our team! Each and everyone of us has different stories with different aged children, different stages of life, with both boys and girls. We all recognize how blessed we are to have our beautiful children that have made us Mothers. Please take time to appreciate your Mother's and the beautiful children that gave you that title!

Remember we are never too busy for your referrals!
