

May 1st, 2017 May Day!

Happy May Day!

May Day, always the first of May is celebrated around the world. Although it's not a national holiday in the United States, we at Osgood Team Real Estate love to celebrate May Day. It's a symbol of Spring, the begin of summer, warmer weather (except when it's snowing a foot!!!), and the overall feeling of renewal! Please remember that if you want the perfect home with a big yard, little yard, acreage, garden, etc.... we are the real estate team for you!

We are never too busy for your referrals!
