## **Executive home on 4th green of the Black Bear Golf Course in the Canterbury Neighborhood will knock your socks off!**

Upon entering you will be wowed by this incredible open concept home with immediate golf course views through the big picture windows.

Inside you will be equally thrilled by the pottery barn chic finishes.

The kitchen is gorgeous with an opposing color granite island, custom glass front cabinets and stainless steel appliances.

The private master suite has incredible views overlooking the golf course.

The master bathroom is luxuriously remodeled with a free standing tub, a seamless glass shower, a custom vanity and walk-in closet.

There is a main floor study with french doors and a bonus main floor bedroom with a full bath.

Downstairs, is a space perfectly set to be an in-law suite, in this finished walk-out basement with a second kitchen area, bedroom, bath and a beautiful living area with a cozy stone

fireplace.

The maintenance free backyard with a huge tiered deck, is perfect for entertaining and enjoying the awesome views. There is extensive hardwood flooring, a whole house humidifier, a new high efficiency furnace, and surround sound. This won't last long!
