

Osgood Team named Gold Daisy Winner

The Osgood Team is proud to announce it has been named Douglas County's top Realtor in the 2015 Macaroni Kid Douglas County GOLD DAISY Awards.

"We truly appreciate all the support that we received during the Macaroni Kid nomination and voting process," said Leanne Osgood. "It's also nice to be recognized as Realtors who work hard to find the right home for clients or to get the best price for homes they sell."

When all was said and done, more than 20,000 nominations and votes were tallied from nearly 8,000 Macaroni Kid subscribers who were asked to pick their go-to family friendly businesses that they depend on to make their lives easier and better.

This is the third year that Macaroni Kid Douglas County, an online parenting resource that also offers free weekly event listings, has asked parents to pick their favorite kid and family friendly local businesses. It's the second win for Osgood Team Real Estate.
