Licensed Colorado REALTOR Andrea Richardson has joined Osgood Team Real Estate, a real estate firm serving the South Metro Denver area.

A Colorado native, Andrea Richardson was raised in the charming town of Longmont, CO. Through the years she has lived in a variety of Front Range and Denver Suburban communities and has developed a strong market knowledge that makes her a valued and trusted real estate broker.

“Andrea is an enormous asset to our firm. She brings extensive knowledge of land, farm, ranch, equestrian and horse properties,” said Leanne Osgood, who owns the Parker-based real estate company with her husband, Dr Bob Osgood.

Richardson is excited to come on board, “I am proud to call Osgood Team Real Estate my new real estate family! Family, friendship and relationships are paramount to my life and that’s why it was so important that the real estate firm I chose possessed those as their core values in our community. I am blessed by Leanne Osgood and her husband Dr. Bob and our awesome brokers and staff! I can’t wait to embark on this new endeavor with each of them.”

“Andrea encapsulates exactly who we are as firm...she exudes integrity, honesty, responsiveness to her clients and

knowledge of our local market,” said Osgood.
“It’s a terrific partnership,” Richardson said, “they are continually giving back to our community and their real estate knowledge is second to none.”
