

# **Celebrating Some Good Stuff with SECOR**

## **Giving Back – Stepping Up – Digging In.**

Community has always been at the forefront of our firm. When this Company was built 8 years ago, it was made with the understanding that we care about community and the people within it because we too, live, work and play here. We treat our clients and community like neighbors and we work tirelessly to build relationships with those around us. Giving back is where our hearts are.

Osgood Team has partnered with SECOR (Southeast Christian Outreach) since 2017 and worked on community give back to local schools. It's not in our nature to toot our own horns but feel it necessary to share all the wonderful areas that could use even more help within our community.

***SECOR needs volunteers, needs private funding, needs wonderful neighbors like yourselves to come join the cause!***

A little more about SECOR...it's a market style food bank that allows people who are struggling to get the help they need. But they are far more than just a food bank. They also help with financial planning, counseling, legal, health needs and of course meals.

A year ago, we had a team meeting to determine where our resources could help the most. One of our agents, Tammy Welsh, was familiar a kids outreach program and shared the details. Every agent was hooked! We knew it was exactly what we were supposed to be doing.

We support a program called “weekend backpack”, allowing us to deliver bags of food to schools and kids who without outside assistance may not have food over the weekend because school meals are sometime the only meals they receive. For the 2017-2018 school year Osgood Team delivered food every Thursday to two schools and we helped get the necessary meals to over 60 children!! Not only that, between our agents and fundraising, in the past year we have donated over \$4,589. We didn’t do this to get publicity, but to help our community. To serve where we are. To up our empathy and realize that any one of us could be in a hard position and need the assistance of others to succeed. To be generous and grateful.

Have you been searching for the right place to donate your resources? Whether you’re looking to share time, talents or money, SECOR is on the front lines and is always in need of good people doing great things! Come Join Us! ~ leanne
