Parker Colorado native, Steele Krause, has joined Osgood Team Real Estate, a firm serving the South Metro Denver area. “I’ve known Steele for a long time and his enthusiasm is contagious. We’ve had many conversations over the years encouraging him to join our office and he finally has come onboard. One of his favorite expressions is ‘people are the ROI of life’...and he lives that! We’re so excited he has chosen to partner with us.” said Leanne Osgood, who owns the company with her husband, Bob.

Krause transferred to real estate after teaching marketing and business at Legend High School. He married his high school sweetheart Danielle who teaches kindergarten at Mountain View Elementary in Parker.

A natural leader, Steele learned the importance of a firm handshake at an early age. Integrity and perseverance, these values bring him a simplified strategy to create meaningful impact on the people around him. Real Estate was a natural career choice as it marries his background in marketing and business with his competitive nature from playing collegiate basketball.

“I’m proud to say I will be working with Osgood Team Real Estate, a top producing real estate company in Parker, CO. The OTeam is a tight-knit group of skillful and knowledgeable realtors with so much to offer its clients and one another. Taking care of clients and community giveback are at the heart of all they do and this culture allows me to focus on my clients and their needs,” said Krause.

Krause can be reached at 303.587.5417.
