

Stories With Santa and Free Hot Chocolate!

Real Estate, Community & Other Stuff

During this busy season, it's nice to have a couple free events to look forward to. Some communities will post on their neighborhood Facebook page, on Nextdoor, or in your monthly newsletter or online local Chamber Events page. So look into what's available in your neck of the woods for Free Family Fun!

In my neighborhood, **Wheatlands** in SE Aurora, there will be **Stories with Santa** on **Saturday, Dec 16th**. The event is held at the Wheatlands Clubhouse from 10am-noon. There will be hayrides, other holiday activities for the kids, and I will be there again serving hot chocolate and treats. Santa arrives, and it's so cute to watch all the little kids gather around him to hear him read Christmas stories. So please stop by and say hello if you live in the neighborhood! <https://www.facebook.com/-search/top/?q=wheatlands%20social%20events>

[Osgood Team](#) will also be at these other fun free events....

Saturday Dec 2, Cimarron Middle School, Parker. Event begins at 9am, over 45 decorated trees will be available for raffle. So bring some cash for entry and raffle tickets! Don't get there too late or you won't have time to preview all the amazing trees and pick the ones you'd like to win.

Saturday Dec 9, Parker Carriage Parade. This annual event is held in downtown Parker. Many local companies participate in the parade, and you will enjoy live music and entertainment. Osgood Team will be there serving hot chocolate in the breezeway of the Hess Exchange Building,

directly on Mainstreet. Events begin at 9 am, we'll be there starting at 11, parade begins at noon. Visit <http://parkeronline.org/826/-Christmas-Carriage-Parade> for more info.

We hope you can make it to one of these fun celebrations!

Merry Christmas!
