Home for Sale in the Pinery neighborhood in Parker, CO. True one of a kind property you have to see to believe! Sitting at the highest elevation in the coveted Pinery Golf Course Community with sweeping views of the entire front range, this unique remodel oozes modern character & rustic charm.

Custom Remodel with Modern Character and Charm

A recently renovated kitchen boasts new cabinets, beveled granite counters, a tumbled stone backsplash, big center island with pendant lights, wood flooring and newer appliances throughout. Quaint, little breakfast nook looks perfect in the morning light with a cathedral ceiling. New Pella windows & trifold terrace door flows perfectly onto the new Trex deck, easily allowing you to spread your entertaining space outdoors.

Then, enter the private main floor office, full of character. The comfortable room makes the perfect space for hosting clients and all your work from home needs. Located off the

office, you will find a charming and detailed powder bath with new finishes that will round out your modern main floor.

Quintessential Colorado Living with Breathtaking Panoramic Mountain Views

Next, visit the spacious family room offers wood flooring & a cozy fireplace. Tall two story ceilings & a myriad of windows provide endless panoramic views of expansive open space, Pikes Peak & the breathtaking Colorado sunsets beyond.

Lastly, find the hard to find the main floor master with his/hers closets; wood flooring; brand new five piece master bath with freestanding tub, custom vanity & rain head shower; plus a second private Trex deck with stunning mountain views. On the second floor you will find two unique guest suites with a beautiful Jack and Jill bathroom.

The Entertainers Dream

The basement is an entertainers dream with a fun game room, a cozy media room with surround sound, & a super swanky hidden bonus room that has been fashioned into a “speakeasy”.

An additional fourth bedroom with en-suite bath and huge laundry room built in storage in basement as well. A large deck with a perfect spot for a hot tub and a built in gas grill & plenty of room for relaxing. A stone fire pit area & water feature create a wonderful ambiance for all seasons. Water-wise smart sprinkler system and garage with epoxy floors, exterior access door & electric car charging outlet.
