

Thanks for a Fabulous Year and Here's to 2016!

As we are in the midst of making wonderful holiday memories with our family and friends, we want to take time to thank all those who have trusted us with their real estate needs in the last year.

We can't express how much joy it brings to our hearts to watch as families settle happily into their new homes. And we also enjoy watching as families move on to the next stage in their life, perhaps selling their home to move to a different size home or to a different city.

As Parker-area REALTORS who focus on the South Denver Metro Area, we truly love what we do. We find it very rewarding to help people during a time in their lives that can be quite stressful.

We hope that our vast experience and knowledge helps to ease the stress of any move, and we look forward to continuing in that tradition and expand the services that we offer.

Additionally, the Osgood Team Real Estate added yet another qualified REALTOR to its team – when Katie Rohr – came on board in the last few months.

She joins Joy McWilliams and Lisa Smith, the team's two other real estate agents who follow our philosophy of going above and beyond to help our customers, and to give back to the community.

And of course, we couldn't be where we are today, without our right-hand gal, office manager Elizabeth Townsend, who helps us in too many ways to mention here.

There is so much to look forward to as we head into 2016. But

we didn't want to forget to reflect back on the wonderful year of 2015 and send out a special thanks to you all.

We hope you have a wonderful holiday season, filled with peace, joy and happiness, and a prosperous 2016.

Leanne Osgood
