SMDRA is a non-profit trade association that provides real estate professionals with the resources they need to help them grow and prosper in the highly competitive real estate business. A real estate agent is a REALTOR® when he or she is a member of the local, state, and National Association of REALTORS® (NAR). The term “REALTOR®” is a registered collective membership mark that identifies a real estate professional who is a member of the National Association of REALTORS®, subscribes to it’s strict Code of Ethics, and holds themselves to a higher standard of business from other licensed agents in the real estate industry. Only real estate licensees who are members of the REALTOR® Association are properly called REALTORS®.

'It is always an honor to earn this award from SMDRA', said Leanne Osgood, 'we strive to be at the top of our field by being the local market experts and by also giving back to the communities we serve. This is the 11th year we have won this award and we're thankful being able to work in an industry we all love.'

Master of Ceremonies for the Diamond Circle Awards was Scott Peterson, General Council with Colorado Association of REALTORS®. This event also featured a mobile platform Silent Auction with items donated by SMDRA members and local businesses, with proceeds going to benefit SMDRA REALTORS® Care Foundation.
