You will see a significant rise in inventory Month over Month, from April to May.

Douglas County total inventory was 873 and rose to 1070 by the end of May. Realtors saw the effects of this as Buyers were fewer and farther between in certain price points - OR so they appeared. Realistically they had more homes to choose from, creating a slower feel in the market.

**Prices continue to Rise slightly in Denver Metro, however they dipped slightly in Douglas County.**

**Month over Month The Average Home Price in Douglas County went down about \$500 from \$592,378 to \$591,867!**

**Days on Market remains on average at 25 DAYS.**

Tune in for our Next Monthly Update, and we'll see what June Stats Hold!
